

## New Newsletter Trial...

This is now the third edition of this new venture and so far the feedback has been extremely positive.

The two short newsletters a year in spring and autumn, to be distributed in between the current January and July issues of 'The Old St Beghian' Bulletin, seem to have been well received. These newsletters are not intended to replace the current Bulletin but, instead, to provide accessible regular current news in a bitesize interactive format (remember to click the links for info).

We would welcome your views and comments, plus any ideas you may have to improve and enhance this initiative.

## Content Required

We do need your help with this, so please do let us have any OSB related photographs or wording that you would like to see included in the future. If you have an informal meet-up with OSB friends, do let us know about it and send in some pictures for us to share.

## Cumbria Dinner at Armathwaite Hall... [Further Photos Here](#)

What a wonderful night it was...

With over 70 OSBs, partners and friends in attendance and spanning several decades, it was a lovely occasion which, I understand, went on into the early hours for those who could sustain the pace! Next year, those OSBs who were at school in the 1980s are hoping to make it a big reunion event and are rallying around to encourage people to put the date in their diary.

**Diary Date for 2027: Friday 26<sup>th</sup> February 2027 ~ All Welcome.**  
**Cost:** £46.00 per person (inc. drinks reception & wine). We hope to see you there...
