

Careers Forum

We are keen to explore ways in which OSBs can offer professional help to both St Bees School students and other OSB members in terms of professional advice, talks, mentoring or even placements, internships and job opportunities.

In the past, the school has run a series of career-themed assemblies/talks to which OSBs and others have been invited to speak, plus a careers week. Currently, the work experience week in the summer term is available to Year 11, Pre-A, 12 and 13 and, in addition, some students are often keen to take part in internships during the holidays. We would be interested to hear from any OSBs who feel they could contribute to these events, by offering help, advice, or opportunities to current school students. If you would like further information about the school's work experience programme, please contact Konrad Hansen at Konrad.Hansen@stbeesschool.co.uk.

If you are able and willing to share knowledge and opportunities with St Bees School students and/or fellow OSBs we would love to hear from you.

Please let us know what you can offer in respect of professional and/or careers assistance...

1. What is/was your **profession**?

2. Please detail your areas of **knowledge/expertise...**

3. Are you willing to offer professional/career help and advice to others (eg School Students, other OSBs):

Yes ☐

No ☐
